Bespoke Weaves & Colours

For Coffins & Caskets

We offer two options when it comes to personalising our beautiful handwoven coffins. Our English Willow coffins can be created with a bespoke weave, where each strand of willow, which is grown and harvested in Somerset, is carefully hand-dyed with natural colourings before being woven together. There are a range of shades to choose from, and these can be combined with sections of natural willow to provide colourful accents, or with multiple strands to produce a beautiful rainbow effect.

Alternatively, we can paint our willow coffins with any colour in the Dulux range, creating a coffin which is truly unique and individual. We have matched the colours of coffins to sports teams, country flags, and even cars.

Please speak to your Funeral Director for more information about bespoke weaves and colours.

Service Options

Music and Readings

A wide selection of recorded music can be chosen. We can usually obtain almost anything for you which is commercially available. You may like something playing as we walk into the service chapel or church, perhaps a reflective hymn, melody or song during the service and finally music on exit.

Be it a music recording, an organist or a choir, we aim to provide you with exactly what you wish. If you would like Hymns to be sung, our funeral directors can make suggestions.

A Scottish Piper

We can provide a piper at the funeral. The bagpipes have been commemorating the loss of loved ones with music at funeral services for hundreds of years with their haunting strains powerfully and poignantly expressing emotions of the moment.

White Dove Release

Four doves can be released at the end of the service, at a graveside or in the grounds of a crematorium.

After Service Venues

We can offer guidance for suitable venues for meeting after the service. If you hire a limousine, we can drop you off at the venue if you wish.

Funeral Flowers

A full floristry service is offered. We can arrange floral tributes of all kinds, be it a wreath, cross, coffin spray, letters or any special request.

We can recommend our local florist, Grahams the Florist, who we are working with on a daily basis.

Visit grahamstheflorist.com/funeral_flowers.aspx or ring 01482 217974, mentioning M. Garton, for a full range of floral tributes.
